PELLENIA

DOUBLE-HEADED DILDO TEENS

Dear PURELY 18,

Holy cats, man! Did I just see what I thought I saw?

Sorry, let me slow down for a moment. I picked up your February issue today and what did I see? Well, I think I saw this: Two girls, one blonde and one brunette. Both beautiful and very young, probably each just turned 18. These girls, I didn't catch their names, though I'm certain they both had them (as even young girls usually do), but I did catch their bodies. The blonde had great tits and sported the bush-free look. The brunette had some cute, little perkies herself and had her muff trimmed into a small landing strip. But these are unimportant details. Just wait, I'm leading up to the good stuff.

I swear to you that I saw these girls in various states of loving embrace—spooning, 69, that kind of thing. But that's not what has my boxers in a bunch. No, I swear I saw these cute, little things sharing a big, old double-headed dildo! Seriously! Their little pussies were facing straight at each other, simultaneously gulping down that monster cock!

Now I've been around the block, even once ventured around a neighboring block, but I have never seen something so beautiful as that. I really admire these young girls today, so free and open. It's a message to us all that America really is one of the greatest countries in the world. Hell, probably even the greatest! You think they have teens sharing double dildos in Canada? Probably not!

Nick
Freehold, NJ

Dear Nick,

We're so pleased that you found such great satisfaction with the Jenny and Pellenia layout. It takes a couple special girls (and some matchmaking with foresight!) for something like that to come together. We should have been shooting video when we tried to pry those two apart—they just didn't want to let each other go!

HOTTEST NIKKI EVER!

Dear PURELY 18,

I have not missed an issue since 1998 and feel it within my authority to say this: Nikki is the hottest, tastiest, most beautiful girl you have ever published!

Yes, yes, I know girls named Nikki frequently appear in the magazine, but you

know which one I'm talking about: February issue. Teen Dream centerfold. Blonde. Outdoors. Pink top and denim shorts. Sitting on a fluffy pink blanket. You know, Nikki!

I'm going to keep this short in hopes that you'll publish another photo of her. In fact, if you have more photos please publish them all. Maybe you could start a monthly Nikki section? That would be sweet!

Monte
Lake Charles, LA

Dear Monte,
*You're right, we do seem to get a lot of Nikkis coming through **Purely 18** Towers. We wonder what the most frequent names are anyway? As for this Nikki, you're right, she was quite a score! So here, just for you, Monte, is a photo of the greatest teen you've ever seen. Delight in her teenly goodness!*

WHOLESOME BREE OLSON?

Dear PURELY 18,

I don't know if blondes have more fun, but I know I'm a whole lot happier when I'm around them! Take Bree Olson. You ran her in your February issue (for which I thank you!) and I had more fun with those few pages than I've had with a real girl in years. Not that Bree isn't a real girl, I'm sure she is, but I'm talking about her pictures. I can't even imagine how much fun I'd have if I were actually in the same room as the real Bree Olson!

I know that she's one of these little, hot-shot porn stars, so have you seen any of her movies? I bet she's really good. I should order one. Do you know where I can buy them?

Do you remember when she took off her top with the polka dots and we could see her big boobs? And then took off her pink panties and stuck her tits through them! How much fun was that?! I really like her shaved pussy, too. I bet she really has hair down there but she shaves it off or waxes it or something. That's pretty cool.

Bree is a real girl, isn't she?

Mac
Sioux City, IA

Dear Mac,
*Bree really is real. She's cute and fun, soft and smells nice—just like all the girls in **Purely 18**! Among the things that make her special is her porn career. She's a contract girl for Adam & Eve, so you know she's one of the best. You should definitely check out her movies, but don't forget that you saw her here first!*

MESMERIZED BY ALEXIS

Dear PURELY 18,

I've got a huge thing for Latina girls, and Alexis Love really knocked my socks off. Where does a girl so slender get off having such nice, big suckable boobs? Doesn't she know that's going to drive guys like me totally crazy?! And leaving that little hair above her snatch, how hot is that? It makes such a statement. It says, "Look at me, I have hair between my legs because I am a big girl." That is so hot!

Hey, what's with the polka dots anyway? I know Alexis had them (appropriately pink!) and one of them other girlies in the mag had them, too. I don't know for sure, but I think these girls are trying to hypnotize me. I know I've spent more time staring at Alexis than is natural, but I just can't stop!

ALEXIS
LOVE

J-Man
Tallahassee, FL

Dear J-Man,
You don't need an excuse to stare at Alexis—that's what the magazine is for! Now, if you see her in person, do try to act more natural. She is tremendously beautiful with that slender body and that long, silky dark hair and pretty face. Hmm, maybe you're onto something with this whole staring at Alexis thing. It's catchy!

Paola

SCOOTER PUSSY

Brazil's hottest export, young porn star Paola Rey, feels like making her sex rounds today, so she's got her little scooter-type vehicle, and she's off to visit some of her hard-cocked male friends. "Why fill my pussy with one big dick when I can have MORE!" pretty Paola declares. "I have all their addresses right here, and these throbbing penises should keep me busy all day!" Hey Paola, when you're done, are you cummin' by the **Purely 18** offices?!

*What goes through the mind of a young girl is fascinating fodder. Each month, **Purely 18** gives you a private look at the most personal of a young girl's thoughts, her diary. This time around, we examine a week in the life of Zoe, a curious 18-year-old, as she ponders her world of . . . what else . . . SEX!*

A Young Girl's Diary

Dear Diary,

You know how I always say that I tell you everything? Would you be upset if you found out there is something, well, a couple things that I haven't told you? Please don't be mad, because I wanted to tell you, but I just wasn't ready. Maybe you weren't ready, either.

Well, you do know that Marci has been sleeping over a lot lately, but it's not like I said. Sure, we have some classes together, but the "Project P" I've been talking about is really just our code name for…the "P" is for "pussy"!

I said it! Pussy! Pussy! Pussy! You see, Marci was what they call an early bloomer, which means she developed faster than most of us other girls. That means she discovered some things before the rest of us, too. And lately she's been helping me discover some things. Dirty things. Kind of scary things. I can't believe I'm telling you this!

Okay, here's how it happened. Marci came over after school one day and we went for a swim. We were just lying there getting some sun when I felt her staring at me. I took off my sunglasses and looked back at her. She said, "You've really come a long way this past year." I was all, "What do you mean?" And she's like, "Your body. You're getting more womanly. Let me see your boobs." I was all, "No way! You show me yours!" And she did! And they were beautiful!

I guess I knew they would be. Some of the girls who have seen her in the locker room said she had the kind of body they'd seen in their fathers' magazines. But there was no way to prepare for just how perfect it was. And she didn't mind showing them one bit. She sat up and she was holding them in her hands and then she came over and sat on my chair, grabbed my hands, and put them on her boobs! I almost fainted. Well, since she showed me hers I had to show her mine. So I pulled up my bikini top and she just reached around and untied it completely. She touched them really softlike and then she kind of rolled my nipples between her fingers and it felt so good! She said something like, "I think your breasts are really beautiful." I probably just sat there blushing and stuff. Then she started sucking on them! Right there by the pool! I was so nervous but I didn't dare tell her to stop because it totally felt so good.

> "Marci was licking my clitty while she had a couple fingers inside my ginny and all of a sudden I started breathing really hard!"

After she licked and sucked them for a few minutes she told me to stick my hand in my bikini bottoms. I was like, "What?" And she said to just do it. So I stuck my fingers down there a

little ways and she's like, "No, stick your hand down there, silly goose!" and she pushes my hand down as far as it would go. She says, "What do you feel?" I said, "I don't know." She said, "Here, watch me."

Then Marci pulled her bottoms to the side and I could see her whole cooch and she kind of digs through her little muff to her pussy lips, and she pulls them apart and she's like, "Can you see how wet I am?" And I could! So I put my middle finger down around my hole and it was like dripping. I looked up at Marci and she just smiled and nodded.

I have to go (Marci's coming over and we're going to work on our "project"), but I'm so glad that I finally told you what's really going on. I hope you're not mad!

Dear Diary,

I have experienced the greatest feeling in the whole world! No, it wasn't drugs! Marci and I were working on Project P last night when something happened. Marci was licking my clitty while she had a couple fingers inside my ginny and all of a sudden I started breathing really hard and shaking and I never felt anything like that before! When it stopped I was kind of startled and

***How do we like our big tits?** Naturally, naturally. And attached to sweet, young girls.*

*As if as a personal favor to us, director Bryan Xin has done exactly that—packed his latest, **Naturally Stacked #3**, with teens who have way more than a mouthful.*

Each of the rack-a-licious dolls—Whitney Stevens, Natasha Nice, Gianna, and Candace Von—brings more than massive mams to their scenes. They bring hardcore passion to their fucking, sucking, and everything else these girls can pack into their half-hour or so of action. Like Xin says, "Why natural tits? I guess it's like riding Harleys—if you have to ask, you wouldn't understand.

NATASHA NICE

Personal quote: "I just hoped that they'd get me laid—and they did!"

We start off with pretty girl-next-door type Natasha Nice. How nice of her to sit herself up against the wall in her cute little panties and tube socks pulled almost up to her knees and big, fluffy tits barely concealed by the thin, white fabric of her t-shirt. How nice of her to pull that shirt up and look us square in the peepers with those big green eyes while she sucks and fondles her DD whoppers. Very nice indeed.

If you think that's nice, wait until you see what she does with a cock. She heads face-first into a no-hands blowjob, then kindly mounts the stud, guiding the cock into her hair-free snatch with her hand. Slowly she takes his pole, inch by inch, then once everything is in and the gliding is good, she eases up and down, her hand reaching back to spread her cheeks, giving horny onlookers like us a prize view of her holes.

She turns around for another ride, this time giving us the front view. Her pussy lips are lovely and ample, but her bouncing boobs are the show here. Fortunately, young Natasha is adept at both riding dick and fondling her sweet set simultaneously. As Sascha runs her through the various positions, we see how this baby-faced teen's dexterity has developed. She seems most natural at synchronizing the movements of her mouth, pussy, and hands, allowing her great freedom (and her man, great pleasure!).

Her balance is solid, too. When getting reamed from behind, she had no problem balancing on one hand as she reaches back and spreads her cunt open, her ass high in the air so that Sascha can nail her from the best angle and get every centimeter of prick in that pretty pussy.

Our girl gets off multiple times, filling the room with her loud moans as the camera almost shakes under her power. When Sascha takes his turn doing the same, he douses her tits as she watches smilingly. She licks some off and then just rubs the mams together in a juggling victory celebration. Such a nice girl!

GIANNA

Personal quote: "Biting just gives me the chills!"

Each year a couple girls come into the adult business and immediately become the talk of the town. Gianna is one of those. Ask a

Titney, er, Whitney's mouth works wonders on Derrick!

Whitney Stevens is Naturally Stacked! So are (top to bottom) Natasha Nice, Gianna, and Candace Von!

few players who their favorite new porn star is, and many men and women alike will name Gianna on their short list.

And for good reason.

She is not one of your dainty porn stars with rail-thin limbs and ribs poking through. Gianna may be young, but she is all woman. At 5 feet and 10 inches, she towers over most of her female counterparts. Her 145 pounds signal the full roundness of her curves. And her 34DD breasts make her positively unforgettable. And then there is her raw sexuality.

Gianna has some fun, opening up her scene by playing with her tits and then topping them off with whipped cream. She licks it off. Repeat. And then comes Manuel Ferrara.

He saves her tits as he goes down on her, tonguing her manicured lawn that waits anxiously under her short skirt. The Frenchman then moves on and up to her flesh pillows, taking what he can into his mouth, squeezing them, playing with the nipples. Through this process Gianna somehow manages to take the top position where she grinds against his cock and grabs at it suggestively. Message received, Manuel ditches the pants and shoves that cock in the lovely's girlhole. It's not even a full second before Gianna is shaking wildly, pressing her body firmly down onto his cock. And once Manuel sees how it's going to be, all bets are off.

He pushes her onto her back and gives her the pleasure of his fleshpole. Gianna screams wildly, orgasm #1 coming almost before her man has had the opportunity to sink it all the way in. They switch positions quickly, him screwing her from the side, then Gianna hops on top to give him a real ride. As Manuel swings his magic hand around to do some clit work, Gianna happily takes his pecker into her wet hole. She shows off her dexterity when she turns around, still riding his cock, and looks him deep in the eye as if to challengingly say, "Fuck me good, you French bastard!" Manuel does not back down.

Instead, he puts her on her back again, lifts her leg up high and gives her a ride that has her absolutely screaming in ecstasy. As things heat up, he pumps faster, squeezing her tits, sending her into convulsive orgasms. With the rust satisfactorily out of her bucket, Manny gets in front of her and screws her tits, his cock completely lost between her mounds of flesh as we see his load oozing out. She rubs her gazongas together until they are shiny with jizz.

CANDACE VON

Personal quote: "I'm definitely naturally stacked. Definitely."

Sprawled out on a white bed and wearing nothing but a white shirt, white bra, and white panties, Candace looks like a sweet black angel as she fondles her massive 36DDDs and smothers them with white lotion.

Michael Stefano certainly finds her heavenly as he disappears up, up, and away between her beautiful balloons. There are a couple times he slips in between her

tatas when one wonders if he's ever going to come back. He does return and he's better than ever. He juggles her jigglers, then slides his hard cock between them as she presses them together and giggles for him. Yeah, she knows that old trick.

Once Mike knows what he's in for, he takes things slowly. He lays her on her back and slowly gets her out of what little clothes she has on. He unveils her snatch like it were a great monument, lapping her pussy juices up ever so lightly. Then he plunges his cock into her puffy hole and rams her good. She whispers sweet whatnots to him as he pleasures her palace. Their groans and moans fill the room as they groove on each other.

One brilliant position has Michael fucking her from behind while her tits are hanging over the edge of the bed. Their gargantuan size meets gravity with sexy results. Candace then takes matters into her own hands, twisting her way into top position and riding the Stefano stiffy with an unusual movement that no doubt is very much appreciated by the veteran cocksman (and just imagine what it would do for us norms!). While she takes her ride, Michael almost casually flops her rack around with his hands.

Candace rides him hard, working herself into a frenzy that has her whole body shaking. Michael responds in kind, pumping his rod between her breasts until globs of guy-gunk cover one of her pillows as she sticks her tongue out in an attempt to catch any stray spray.

WHITNEY STEVENS

Trivia: Her older sister is porn star Britney Stevens!

And here comes Whitney all covered up in a pink long-sleeved shirt. For most girls, such attire could easily hide what lies beneath. Not Whitney.

This cute teen is packing a pair of all-natural DDs, which look even larger on her little 5'-3" frame. When she finally removes her cotton blend and does a jiggle for the camera, it is astounding how elastic her bazookas are. Loverboy Derrick Pierce notices her mound immediately and where his eyes gaze, his hands soon follow. Even the big-handed lad's mitts look dainty compared to the whoppers they latch on to.

Whitney is not a one-trick pony. To go along with her impressive bust she also has a pretty face and a relatively slim waist. And, as Derrick soon discovers, there's also a pot of gold beneath her little denim skirt. He teases her as his fingers plow gently. Whitney? Like any teen girl, she likes it! But her needs cannot be satisfied by tongue and fingers alone, so she worms her way to his weasel, sucking it and licking it and rubbing it between her giant funbags.

Next Whitney does what any pretty young thing in this situation would do—she takes his schlong into her cumbucket. She gets on top and settles onto his hard-

ness, putting her hands back for stability and rides high and hard. "Oh your cock feels so good!" she tells him between the insistent moans that are the soundtrack to his constant ramming. Derrick then turns her around for some doggie action. "Put that big cock in my pussy!" she shouts. He does and let the flopping begin! Her tits graze the couch cushions as she receives his pole. She lifts one leg up and Derrick throws it over a shoulder, allowing us an incredible view of her entire frontside as he rams her and she diddles her clit.

It's missionary that gets Whitney off, moaning wildly as she hands on to her rack. After her big O she tells him to fuck her coconuts and he does right to a pop that blasts both nipples and all area in between. Whitney shares a smile of satisfaction as she rubs it in, just another excuse to handle that fine set of hers. Like she needs any excuses!
